Pitches

Lutterworth Soccer Centre is a players' heaven when it comes to pitches. Not only have we got natural grass pitches, we also have the very latest 3G artificial grass. Its 3G surface is a blend of rubber base, which cushions joints effectively. Its soft and short artificial grass and tiny rubber ball infill around the grass, means that no matter what the weather, you can still play or train, and because our pitches are floodlit, you can always find a time that suits you.

Facilities

Gone are the days of getting changed at the side of the pitch and then having to travel home in your muddy kit! Lutterworth Soccer Centre boasts luxury when it comes to changing facilities! Not only do we have 8 male and female changing rooms, all with showers, but they also have under-floor heating; just right for those tired muscles to relax, in a controlled and heated atmosphere.

Bar View

Now that you're feeling invigorated after a great game and a relaxing shower, why not join your team mates in the bar for a drink or a bite to eat. You can work through tactics for the next game or pick up a few tips by watching other players from our balconies. It's not called Bar View for nothing! While you're there, why not pick up some details on how we can cater for your birthday party, wedding, or any other special occasion, so that we can help you celebrate it in style!

Leagues

Enter your team into one of our 14 week nightly leagues, which will be officiated by FA qualified referees. All matches will last 40 minutes with each league containing 8 teams. We will take care of all of the admin, so that you can concentrate on playing the beautiful game! Trophies will be awarded for the winners and runners-up of each league, with promotion and relegation battles to be sorted out at the end of each league. You can keep an eye on how your team is doing and all results and fixtures will be posted online and emailed to you.

Tournaments

To keep you on your toes, we will be running regular tournaments throughout the year to coincide with world football events. If FIFA, UEFA or the FA are holding a tournament, then so will we! We will take care of the entire organisation, so all you will have to do is register and play.

Coaching

In association with Coerver® Coaching, we will be offering nightly junior coaching sessions for boys and girls of all ages and abilities. During every school holiday we will be running fun and exciting holiday camps, combining Coerver® coaching techniques with fantastic competitions throughout the week. For more details please visit www.coerver.co.uk/leicester.

Kids Parties

Let us take all the hassle and stress away from organising your kid's birthday party. Each party is 90 minutes long with organised fun games and matches. There will be a certificate for all, a present for the birthday boy/girl, birthday party food and we can even sort out the birthday cake and party bag if needed. Different packages are available, so please phone or email for more details.

Corporate

Let us organise your company's team building event with a day of learning new skills and working as a team, to ensure you get the results you want. Qualified coaches and referees will be on hand to ensure the event runs like clockwork! Lunch will be served in the bar area with views overlooking the pitches and the day will end with a fun tournament. For that extra special day, we can arrange for a Q&A session with a Leicester City legend!

Schools / Colleges / Universities

Please contact the centre to discuss how we can help you deliver the government's criteria for sports.
